This tour features all of Perth's key points of interest, starting at King Park Botanical Gardens where you can walk through the tree canopies on the Tree Top Walkway; WACA Ground -Western Australia's "Home of Cricket"; the iconic Swan Bell Tower at the Barack Street Jetty; and followed by a picturesque drive along the coast via the famous Cottesloe Beach to the historic port of Fremantle - a centre of cosmopolitan cafés and restored old buildings as well as markets that add to its vibrant atmosphere. Enjoy a stroll around South Terrace and perhaps drop into a local market before returning to Perth to conclude the day.

Day 03 **PERTH** (Breakfast, Lunch)

After breakfast, proceed on your selected Full-day Tour. Passengers need to be ready and waiting at the appointed venue at least 10 minutes before scheduled pick-up time.

Margaret River Tour :

Discover the picturesque Margaret River wine growing region with its stunning beaches, rivers and inland waterway of Peel Inlet; taste the wines; as well as explore the vast underground limestone caves along this Indian Ocean coastline. Head south to the iconic Bussleton Jetty and marvel at the longest timber-piled jetty in the Southern Hemisphere; enjoy a guided tour through the gothic-like Mammoth Cave with its vast chambers full of amazing formations; and drive through the beautiful Boranup Forest, a visual highlight of the region before reaching Cape Leeuwin Lighthouse, a geographical point of significance marking the meeting point between the Southern and Indian Oceans.

Pinnacles Desert with 4WD Adventure :

Experience nature at its very best... big sky plains, emerald waters bordered by pristine white sandy beaches, massive sand dunes as well as ancient limestone formations created by forces of nature. Head north through the Swan Valley to Caversham Wildlife Park to pet a koala, hand-feed kangaroos as well as get up close to native wildlife such as wombats; enjoy an audio guide and travel through a live lobster processing plant at your own pace; stroll through the fascinating moon-like landscape with limestone spires rising from the desert floor; as well as experience a thrilling adventure of sand boarding and 4-wheel driving over the vast sand dunes of Lancelin.

Valley of the Giants Tour :

Experience some of Western Australia's natural treasures. Travel Southeast through the dense Jarrah Forests as well as hectares of fruit orchards to "Karri Country" where Western Australia's largest tree, The Karri grows in abundance. Enjoy a spectacular tree top walk that has been constructed through the canopy of this unique Tingle Forest with its 600 metre-long bridge structure of approximately 40 metres above the forest floor or alternatively, take a stroll on the ground level through the "Ancient Empire" where one can get up close and personal to the 400-year-old giants of the forest. Note - Strong wind conditions may result in the closure of the Tree Top Walk, in which case alternative touring arrangements will be made.

Wave Rock Tour :

Discover one of Australia's most incredible geological wonders - a breaking wave frozen in time in the middle of the Western Australian wheatbelt! Head east through the scenic Darling Ranges to the colonial town of York at Avon Valley, the first inland European settlement founded back in 1831. Wander around the wonderfully preserved turn-of-the-century Victorian architecture for a glimpse of Australia's pioneer heyday; Walk right into the gaping cavernous mouth of Hippo's Yawn and crawl out through a passage resembling a throat; as well as explore Humps and Mulka's Cave to take in the ancient Aboriginal Cave Paintings.

Day 04 **PERTH / _____** (Breakfast)

After breakfast, free at leisure for your own activities until it is time for you to depart on your onwards journey.
