Sample itinerary :

Day 01 _____ / JAKARTA / BOGOR / PUNCAK (Lunch, Dinner)

Upon your arrival at Soekarno-Hatta International Airport, you will be met by our local representative and thereafter, journey approximately 100 kilometres Southeast of Jakarta to Puncak. Along the way, enjoy a brief sojourn at the 87-hectare Bogor Botanical Gardens – also known as Kebun Raya Bogor, it is Indonesia's first and foremost botanic garden which was established in 1817 by the Dutch and hosts more than 15,000 species of trees as well as plants, including 400 types of magnificent palms; followed by another stop at Masjid Atta'awun, the grandest mosque in Puncak that has a good location to enjoy the surrounding highlands scenery; before concluding the day's itinerary with a visit to Taman Bunga Nusantara – a sprawling 23-hectare park with a collection of plants and flowers originating from all over the world, perfectly manicured themed gardens, a fun and challenging maze as well as a state of art green house that houses a variety of rare tropical plants. Evening is free at leisure for you to explore the cool and misty highland, located approximately 1,500 meters above sea level.

Day 02 PUNCAK / LEMBANG / BANDUNG (Breakfast, Lunch, Dinner)

After breakfast, journey approximately 120 kilometres East of Puncak to Bandung with a brief enroute stop at Cianjur to shop for some local snacks. Upon arrival, visit to Ciater Hot Spring - a pretty little place in the middle of a huge tea estate where the streams and pools are fed by warm mineral springs, created by heat from nearby volcanoes; Floating Market Lembang – formerly a fishing spot which has evolved into a floating market that offers a large variety of local delicacies as well as recreation activities (attractions & activities are optional, at own expense); as well as Farmhouse Susu Lembang – a theme attraction that combines animal husbandry with classical European architecture. Feed, pet or take pictures with the animals in the petting zoo area; explore the Hobbit's House which is similar to that of Frodo Baggins' in the Lord of the Rings Trilogy; take part in fun yet romantic activities where couples can help each other to hang a key of love as a symbol of everlasting relationship at the bridge resembling the Pont des Arts in France; etc... << some activities at Farmhouse Susu Lembang are optional, at own expense >> Thereafter, continue your journey with your selected add-on tour or head on to Bandung for a little shopping at your leisure.

Day 03 BANDUNG (Breakfast, Lunch, Dinner)

After breakfast, enjoy the whole day shopping at some of Bandung, the "Tourist Shopping City's" popular wholesale and retail areas such as Cibaduyut - the center for craft shoes, bags, leather goods and local hand crafted accessories; Pasar Baru Trade Centre – a well-known wholesale market that offers a wide range of products such as textile, garments, shoes, locally produce souvenirs as well as local delicacies; and not forgetting the countless Factory Outlets along Jalan Dago such as DSE Factory Outlet, Edward Forrer, Episode Fashion House, Grande Fashion Gallery or Natural Factory Outlet, etc...

Day 04 BANDUNG / JAKARTA (Breakfast, Lunch, Dinner)

After breakfast, embark on an approximately 2.5-hour journey back to Jakarta via Cipularang Highway and on arrival, head over to Ancol Bay City for a little shopping at the Art Market, an outdoor art market where you will find a varied collection of Indonesian handicrafts and souvenirs on sale. Thereafter, continue on to visit Taman Mini Indonesia Indah - literally translated as "Beautiful Indonesia Miniature Park", an open-air museum that portrays Indonesia and its variety of architectural forms as well as culture in miniature. All the Indonesian islands are realistically reproduced in a central lake and around the lake are pavilions to represent the 27 provinces in Indonesia. Along the way, enjoy a photo stop at Tugu Monas, a 450 feet high National Monument Tower in Central Jakarta that symbolizes the fight for Indonesia's Independence; as well as Istiqlal Mosque which was built to commemorate Indonesia's independence from the Dutch and it is one of the largest mosques in South East Asia; before continuing on to the state-owned Sarinah Department Store – the first shopping mall and skyscraper in Jakarta's that specializes in Indonesian handicrafts and textiles, including its famed batik and woven ikat.

Day 05 JAKARTA / _____ (Breakfast)

After breakfast, if time permits, enjoy some last minute shopping at ITC Mangga Dua – Jakarta's hotspot for bulk and bargain one stop shopping, offering an interesting selection of affordable trendy clothing as well as electronic goods; until it is time for your transfer back to the airport for your onwards journey.
