Upon your arrival at Incheon International Airport and after clearing customs, please proceed to the Meeting Point area at "Gate 8" on the 1st Floor. Our local representative will be waiting there to welcome you. Start the day with a walking tour around Songwol-dong Fairy Tale Village - A dilapidated neighbourhood that has been impressively transformed into an explosion of colours with depictions of Disney-inspired characters, all-time classics like Hansel & Gretel, Little Red Riding Hood or The Wonderful Wizard of Oz, Korean Folk Tales as well as countless other delights; and followed by Incheon's Chinatown – Korea's only official Chinatown created in 1883, together with the opening of the Port of Incheon. Discover the port city's most interesting historical as well as cultural attractions; Wander down the street that is lined with Chinese restaurants and shops offering a variety of snacks, clothes as well as souvenirs; and while you are there, do take the opportunity to sample its culinary offerings such as the popular black-sauce noodles known as Jajangmyeon. In the afternoon, journey approximately 50 kilometres East of Incheon to Seoul to visit N Seoul Tower which is perched at the highest point of Namsan. Take a look at the safety fence which is covered with thousands of padlocks - symbols of love fastened there by young couples; as well as enjoy the panoramic views of Seoul and its surrounding areas from the viewing platforms (observatory admission is optional, on own expenses) at the 237-meters tall communication tower.

Day 02 SEOUL / YONGIN / SEOUL (Breakfast, Dinner)

After breakfast, journey approximately 35 kilometres Southeast of Seoul to Yongin to spend a couple of fun-filled hours at Everland Resort. The park is home to over 40 heart-pounding rides and attractions in five theme areas, namely Global Fair, American Adventure, Magic Land, European Adventure and Zoo-Topia. Everland is also known for its gorgeous flower arrangements and beautiful gardens. In the afternoon, return to Seoul to enjoy a little shopping at a Cosmetics Shop; as well as explore Hongdae Shopping Street – a sea of little shops and ever-expanding boutiques near Hongik University that is popular for indie fashion, cute cafés, street art and hanging out till all hours of the night; before heading over to discover a world behind the paintings at Trick Eye Museum – an interactive attraction which shares a unique experience with its audience by using a combination of Augmented Reality (AR) and "trompe-l'oeil" (trick of the eye) techniques to give each flat two-dimensional art piece the illusion of being in three-dimensional.

Day 03 SEOUL (Breakfast, Dinner)

After breakfast, enjoy a walking tour around Bukchon Hanok Village. Located between Gyeongbokgung, Changdeokgung and Jongmyo Shrine, the village reflects over 600 years of Seoul's history and is home to approximately 900 Korean traditional houses. Unlike other traditional villages, Bukchon was not built for tourists. This is where the ruling class lived during the Joseon Dynasty and a few descendants of the aristocracy still reside there. Thereafter, continue on to Dongdaemun – Korea's largest wholesale and retail shopping district with more than 26 shopping malls, 30,000 specialty shops as well as 50,000 manufacturers. Within the ten blocks of the market area, you can find silks, clothes, shoes, sporting goods, plumbing and electrical supplies, electronics, office supplies, toys and just about everything else imaginable. Along the way, enjoy a photo stop at Dongdaemun Design Plaza – the latest iconic landmark of Seoul, designed by world renowned architect Zaha Hadid and comprises of five halls : Art Hall, Museum, Design Shop, Oullim Square and Dongdaemun History & Culture Park. Spend the afternoon shopping for duty-free health supplements at either "HD-1 Tab.Gold" or Red Pine Oil Specialty Store; << enjoy a romantic stroll along the 1400-plus cherry tree-lined streets of Yeouido to view the spectacular cherry blossoms when in bloom (during Spring Cherry Blossom festival only, subject to weather conditions) >> before heading over to Common Ground – Korea's first pop-up store and the world's largest shopping mall that is constructed from 200 large modular containers. These uniquely refashioned containers feature shopping space for a limited amount of time, some newer as well as lesser known lifestyle brands that are up and coming instead of global or exclusively luxury brands.

Day 04 SEOUL (Breakfast, Lunch)

After breakfast, visit Gyeongbokgung – built at the beginning of the Joseon Dynasty by its founder King Taejo, it serves as the principal palace until it was burnt down during the Japanese invasion in 1592. It lay in ruins for nearly 300 years until it was rebuilt in 1865 during the reign of King Gojong, the first emperor of Korea. Thereafter, enjoy a dose of Korean culture by learning how to make Kimbap, a quintessential Korean packed lunch made of seasoned white rice with a variety of fillings, rolled up in roasted seaweed and served in bite-size slices.; and experience wearing the Korean Traditional Costume "Hanbok". Spend the afternoon shopping for some duty-free goods at the National Ginseng Outlet and Lotte Duty Free; followed by a stroll along Cheonggyecheon – An 11-kilometre-long watercourse running through downtown Seoul that was once hidden by an elevated highway and was restored in 2005 as part of an urban renewal project; before heading over to Myeongdong, one of Seoul's main shopping districts featuring mid-to-high priced retail stores as well as international brands.

Day 05 SEOUL / INCHEON / _____ (Breakfast)

After breakfast, if time permits, enjoy some last-minute shopping at Sinchon Ladies Street – a shopper's paradise located right in front of Korea's first women university. Nicknamed "University Streets of Sinchon" due to its close proximity to a number of private universities, it is packed with copious amounts of clothing, accessories as well as shoes stores offering affordable goods that are in tune with the current trends in Korea. Thereafter, head over to a local product shop for some local delicacies before continuing back to the airport for your onwards journey.
