Sample itinerary :

Day 01 _____ / HO CHI MINH CITY

(No meal)

Upon your arrival at Tan Son Nhat International Airport, you will be met by our local representative and thereafter, proceed to explore Nguyen Hue Walking Street, a pedestrian area flanked by some beautiful French colonial architectural wonders such as the People's Committee Building, the Rex Hotel as well as a luxury shopping mall. The coolest address on the entire street is 42 Nguyen Hue, a characterful, crumbling 9-storey apartment block which has been converted into a maze of small stores and hip, independent cafes. Evening is free at leisure for you to explore the city.

Day 02 HO CHI MINH CITY / MUI NE

(Breakfast, Lunch)

After an early breakfast, enjoy a short sightseeing tour around the city visiting by the Notre Dame Cathedral as well as the General Post Office with its ancient French architecture; before heading east on an approximately 220 kilometres journey to Mui Ne, a sleepy fishing village turned coastal resort town along the South China Sea that is famed for kiteboarding and windsurfing activities; passing by Phan Thiet, a small bustling port city that is renowned for its production of Nuoc Mam, an overpoweringly pungent condiment that is quintessential to Vietnamese cuisine. After lunch, rest of the day is free at leisure for you to explore one of Southern Vietnam's popular beach destinations.

Day 03 MUI NE

(Breakfast)

Rise before dawn and journey approximately 35 kilometres northeast to arrive at White Sand Dunes just in time for the most stunning sunrise (subject to weather conditions) to work its magic. Resembling a miniature desert with beautiful patterns etched into the ever-changing sand by the wind, the mammoth dunes are a charming geological oddity not to be missed. Explore and roam around the dunes on a shared ATV; as well as enjoy surfing down the towering sand dunes at high speed (optional, on own expenses). Thereafter, enjoy a photo stop at a local fishing village; before continuing on to a soft red creek known as the Fairy Stream that is coloured by the clay and limestone particles from the strange rock formations at its shores and resembles a miniature version of the Grand Canyon. Visitors are encouraged to experience walking barefoot in the soft sand along the stream which is for most part, ankle-deep and no more than knee-deep at its deepest. Return to your hotel for breakfast and rest of the day is free at leisure for your own activities.

Day 04 MUI NE / CU CHI / HO CHI MINH CITY

(Breakfast, Lunch)

After breakfast, embark on an approximately 250 kilometres journey west of Mui Ne to visit Cu Chi tunnels, a well-known historical vestige of the Vietnamese revolution. This amazing cobweb-like complex is a network of underground dug-out tunnels of over 200 kilometres long, used during the American war. After lunch, return to Ho Chi Minh City for a short sightseeing tour around the city visiting the War Remnants Museum - a comprehensive collection of more than 20,000 graphic photographs, military vehicles as well as weapons, documenting the horrors of Vietnam's wars with both the French and Americans. Within walking distance, visit the Reunification Palace - formerly the official residence and administrative centre of the President of South Vietnam until the fall of Saigon in 1975; before embarking on a little bargain-hunting at Saigon Square or Bến Thành Market - a bustling market that is popular among the native city dwellers and tourists alike, offering everything from souvenirs to clothes as well as local delicacies. Make your own way back to the hotel and the rest of the day is free at leisure for your own activities.

Day 05 HO CHI MINH CITY / _____

(Breakfast)

After breakfast, free at leisure for your own activities until it is time for your transfer back to the airport for your onwards journey.
